

OLYMPIA WOODEN BOAT ASSOCIATION

PO Box 2035

Olympia, WA 98507 [www.olywoodenboat.org]

The 40th Annual Olympia Wooden Boat Fair will be held on the 11th and 12th of May at Percival Landing Park. Wooden boats of all types, their owners and crews are invited to Olympia to join in our festivities. - Featured boat [AMERICA] Bristol Channel cutter sailboat, built by Tom Crout at home took 18 years.

Events this year include: live music, the children's boat building booth (Saturday 10AM - 2PM), nautical oriented displays, arts and crafts booths, and the International Food Alley. We will have more "just for fun" awards to be voted on by participants and presented at Sunday's breakfast.

The Sunday morning breakfast will be at the Double tree inn, starting at 9:00 am. There will be a **100** person limit at the breakfast; so, get your registration in early. Last year we did sell out. **No refund or exchanges on breakfast tickets.**

The registration fee for participating vessels includes moorage Friday and Saturday nights, a commemorative plaque, one hat, and a catered breakfast for two. Please note that the registration fee does not include a shirt. Shirts, hats and tickets to the breakfast for crew members are available at extra cost (see **Registration Forms - requires 2 separate checks**). **No registrations will be accepted after Saturday, April 18th. No boats will be accepted after the deadline.**

The goal of the boat fair is to enjoy camaraderie with other boaters and to give the public an opportunity to learn about wooden boats. **No for sales signs** are to be displayed anywhere on the boat while the boat is a registered participant of the fair, except registered boat builders. We do not want to turn Percival Landing into a used boat sales lot. There will be **no soliciting** the public for donations for your boat. As a registered participant of the fair there will be **no sales** of mugs, t-shirts, posters, or other articles promoting your boat.

For those of you unfamiliar with Olympia, just follow the channel to the Southern end of Budd Inlet. The Dockmaster will be monitoring VHF channel 68 to coordinate docking. Please use this resource. There will be a **Skippers' meeting Saturday morning**, 8:00 am at The Double Tree, in the Olympia room, to pick up your information packet, shirts, and meal passes. **Please have a representative for your vessel attend.**

NOTE: You can expect to be rafted, or be rafted to. Due to limited space the Dockmasters (Ed Docherty & Kevin Gordham) must have final say on where you are to be placed. Friday, May 10th is the preferred day for participating boats to arrive at Percival Landing. **Moorage Thursday night will be available only if you are requested to arrive early by the Dockmaster.** If you have special needs, or concerns about boat placement please call (360) 866-1315 or 360-791-1145. **First time participants please note that we do not** normally confirm receiving your registration form unless we need additional information to help us plan rafting combinations (pictures help). Please call **before noon MONDAY**, May 2th. After that time **we will not be able to return calls**, as we are down at the landing preparing for your arrival. **Sorry, no refunds for boat participants cancellations.**

The Olympia Wooden Boat Association **will coordinate all news releases** concerning the Boat Fair. We would like to include some interesting or historical tidbits about the participating boats in our news releases and event promotion. Please use the space provided on the registration form for this purpose (Don't be shy).

We look forward to seeing you in Olympia in May.
